FAMILY PLAN AWARD

1. Qualifications for this plan will be based solely on the number of students from the same immediate family in attendance at the University of Detroit on a full-time basis.

2. The Family Plan Award will be as follows:

   a. One student in attendance does not qualify.

   b. Two students in simultaneous attendance will entitle each to an award equal to 10% of their respective tuitions.

   c. Three students in simultaneous attendance will entitle each to an award equal to 20% of their respective tuitions.

   d. Four students in simultaneous attendance will entitle each student to an award equal to 40% of their respective tuitions.

3. The Family Plan Award shall be restricted to the payment of tuition and fees.

4. All applications are subject to the authorization of the Student Financial Aid Office. The Family Plan must be renewed each year by submitting a new application to this same office.

5. In cases where the student's entire financial need is being met either by University administered funds or other types of financial assistance, the Family Plan Award will be subject to revision or cancellation.
